Mercury Corporate Contributor License Agreement ("Agreement")

Based on the Apache Foundation Contributor License Agreement <http://www.apache.org/licenses/> (ver. 2.0), but modified to allow Mercury to be distributed under a BSD 3 clause license: <https://opensource.org/licenses/BSD-3-Clause>

Thank you for your interest in Mercury. In order to clarify the intellectual property license granted with Contributions from any person or entity, UChicago Argonne LLC, as operator of Argonne National Laboratory, ("Argonne") must have a Contributor License Agreement (CLA) on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of Argonne and the end users; it does not change your rights to use your own Contributions for any other purpose.

This version of the Agreement allows an entity (the "Corporation") to submit Contributions to Argonne, to authorize Contributions submitted by its designated employees to Argonne, and to grant copyright licenses thereto. This agreement covers the Mercury software (hereinafter "Mercury").

If you have not already done so, please complete and sign, then scan and email a pdf file of this Agreement to mercury-legal@anl.gov. If necessary, send an original signed Agreement to the following address:

For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to Argonne or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Argonne for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to Argonne and to recipients of Mercury a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and derivative works, in source and binary forms, with or without modification.
3. You represent that, to the best of your actual knowledge, You are legally entitled to grant the above license. You represent further that each employee of the Corporation designated on Schedule A below (or in a subsequent written modification to that Schedule) is authorized to submit Contributions on behalf of the Corporation.
4. You represent that, to the best of your actual knowledge, each of Your Contributions is Your original creation (see section 6 for submissions on behalf of others).
5. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions "AS IS" AND ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE DISCLAIMED. 6. Should You wish to submit work that is not Your original creation, You may submit it to Argonne separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".
7. It is your responsibility to notify Argonne when any change is required to the list of designated employees authorized to submit Contributions on behalf of the Corporation, or to the Corporation's Point of Contact with Argonne.
